2 APPLICATION OF TERMS

2.1 These terms and conditions shall govern the Purchase Order at all times to the entire exclusion of all other terms and conditions including any Supplier terms and conditions supplied with the Goods or Services (including as printed on consignment notes or other documents) and the Supplier waives any right which it otherwise might have to rely on such other terms and conditions. The Purchase Order constitutes the entire agreement between the parties in relation to the supply of the Goods and/or provision of Services and the subject matter of the Purchase Order, and supersedes all prior negotiations, representations or agreements (whether written or oral) related thereto and cannot be modified without the express written consent of a Director of the Company.

Notwithstanding any such inspection, the Supplier shall remain fully responsible for the provision of the Goods and/or Services and any such inspection shall not diminish or otherwise affect the Supplier's obligations under this Purchase Order or any of the Company's remedies under the Purchase Order.

7.3 No increase in price shall be paid unless notified to and accepted by the Company in writing prior to delivery and, unless otherwise provided in the Purchase Order, no charge shall be paid for packing cases and materials or for delivery to the specified place of delivery. The Purchase Order Price shall constitute full compensation to Supplier for the Goods and/or Services.

7.4 Payment by the Company of the Purchase Order Price (or any part thereof) shall not constitute an admission by the Company as to the proper performance by the Supplier of its obligations under the Purchase Order.

If the Supplier fails to replace or repair the defective Goods and/or Services, the Company may carry out work itself or engage a third party at the Supplier's expense to make the Goods and/or Services compliant with the terms of the Purchase Order.

9.2 Goods and Services replaced or repaired by the Supplier under this clause 9 shall be subject to a new warranty commencing on the actual date of delivery of the repaired or replaced Goods or Services and continuing for a new Warranty Period.

9.3 The Company may at its sole discretion assign the warranty (or any remaining period thereof) of goods and/or services provided by the Supplier to a Third Party by giving written notice of such to the Supplier and the Supplier shall honour the terms of such as though such Third Party is the Company.
